### **RE: PRESCRIBED BURN IN THE DONALDS CREEK/WAMBAN ROADS AREA – DEUA NP**

NPWS and RFS are intending to carry out a prescribed burn in the Donalds Creek Rd and Wamban Rd area in Deua NP in the next few days, depending on weather conditions. The burn is located approximately 5km west of Moruya and covers an area of approximately 200 ha.

There is no intention to close any roads or trails while this burn is carried out at this time.

The burn will be lit by ground crews lighting the edge of trails between Donalds Creek Rd and Wamban Rd on both park and private property. The burn will be monitored by crews each day. There may be some smoke drift across roads and trails in association with this burn. If you suffer from medical problems such as asthma, please take the following precautions:

- close all windows
- stay inside
- or, leave the area during the burn.

For information on other areas in Far South Coast Region, contact the NPWS Narooma office on 02 4476 0800.
