**RE: ESSENTIAL MAINTENANCE – BENDEThERA FIRE TRAIL
DEUA NP**

NPWS staff will commence essential trail maintenance work on Bendethera Fire Trail starting **Friday 26th May 2017.**

Works are expected to take between 2 – 3 weeks to complete (depending on weather conditions). We do not expect to have to close this trail at this point in time. However, we do ask drivers to use extreme caution when driving on this trail as it may become slippery in sections while works are being carried out.

This information will also be posted on the website at www.nationalparks.nsw.gov.au
