**RE: ESSENTIAL MAINTENANCE – LITTLE SUGARLOAF ROAD
DEUA NP**

NPWS staff will commence essential trail maintenance work on Little Sugarloaf Road starting **Monday 25th September 2017.**

Works are expected to take between 2 – 3 weeks to complete (depending on weather conditions). We do not expect to have to close this road at this point in time. However, we do ask drivers to use extreme caution when driving on this road as the surface may become loose in sections while works are being carried out.

This information will also be posted on the website at www.nationalparks.nsw.gov.au
