**RE: WET WEATHER FORECAST**

Due to recent heavy rainfall and further forecast wet weather over the next 24-48 hours we are advising the public to avoid using 4WD trails in Deua and Monga NPs as they may become impassable and cause damage.

Many creek and river levels are still high and crossings may not be safe to enter. We advise to avoid visiting the Bendethera area over this long weekend period as river levels may rise quickly with forecast rain.

For further information regarding this bulletin or information on other areas in Far South Coast Region, please contact the NPWS Narooma office on 02 4476 0800.
